

November 14, 2016

**KANSAS BULLETIN NO. KS360-17-5**

**SUBJECT: PER—Active Shooter Posters**

**Action required by:** November 25, 2016 (Field Offices)  
November 28, 2016 (Area Offices)

**Purpose.** Inform offices to post Active Shooter Preparedness Posters

**Expiration Date.** September 30, 2018

[National Bulletin 360-17-7](#) distributes new Active Shooter Preparedness posters for prominently displaying in all Natural Resource Conservation Service (NRCS) offices where employees can see. Field offices may choose the version for display and will report to their area office no later than November 25 that this task is completed. Area offices will report to the Gaye L. Benfer, Assistant State Conservationist for Management and Strategy, that all field offices have completed this by November 28, 2016.

**Contact:** Gaye L. Benfer, Assistant State Conservationist for Management and Strategy, 785-823-4508, or [gaye.benfer@ks.usda.gov](mailto:gaye.benfer@ks.usda.gov).
